All textbooks of the Punjab Textbook Board carry a **Security Sticker** on the title page. The sticker exhibits a unique colour shift due to change of angle (brown / green) in the middle portion of the logo of the Punjab Textbook Board, Lahore. In addition to this, if you scratch protective coating on the corners of the sticker with the coin, it will reveal the registered trade name "**PTB**" on all corners. This is a hallmark of the authenticity of original textbooks of the Punjab Textbook Board. Look for the **Security Sticker** while purchasing the textbooks. If there is no sticker on the title page, or it has been tampered with, do not buy such a textbook.
